### IBM CLOUD ACCOUNT: DASHBOARD

The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user's account 'SARAVANAN M's Account'. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section offers several guided tutorials: 'Build' (10 min), 'Set up your IBM Cloud account' (10 min), 'Build a web app with Watson Speech to Text' (15 min), 'Build and deploy Node.js apps' (15 min), 'IBM Watson Knowledge Catalog' (2 min), and 'IBM Log / LogDNA' (2 min). Each tutorial includes a brief description and a 'Getting started' button. The bottom of the dashboard shows sections for 'User access', 'Manage users', 'News', 'View all', and 'Planned maintenance'. The Windows taskbar at the bottom indicates a temperature of 25°C, cloud weather, and the date 09-11-2022.
